## **FORWARD**

Welcome to the 2026 Stu Wood Targa Rally, this event is named in memory of the late Stu Wood who for many years was a regular competitor on many different types of rally events as both driver and navigator. Stu was also a long-time organiser of the Ilfracombe Rally and a prominent member of NDMC.

This year we are offering up to 10 tests totalling just over 35 miles: the majority being on tarmac and a small section being held on grass and gravel. As always detailed maps will be provided (Provided from Motorsport Diagrams) I have always thought of this event to be great for beginners but also experts aswell, Which is why we have decided not to raise the price from last year, it remains at £180.

Car 00 will start at 9:40AM and we aim for the event to finish at 16:30. We are proud to say that this event is going to be a part of the ASWMC, BTRDA, CMSG championships once again, I would like to thank the championship organisers for their continued support.

For the Novices we are running a clubmans event alongside the interclub event this will be open to all members of North Devon Motor Club, Exeter Motor Club, Bath Motor Club, Exmouth Motor Club, South Hams Motor Club. However, a RS Clubmans license is required from Motorsport UK. This event will run under a Targa Road Rally permit allowing any 2WD road rally car to compete, registered contenders can also score points by marshalling on the event.

As always, any event held by a Motor Club requires marshals, otherwise these events couldn't run. If you can spare the day or know anyone who would like to marshal, please get in contact with the chief marshal of the event found in the official list below.

This will be my third year organising this event, I like to think I'm doing a good job, however no one is perfect, and we understand there were issues last year and the team have listened to all your feedback, so please be rest assured we have improved from last year.

Thank you to RMB Chivenor, commanding officer and personnel without their support we wouldn't have the land to hold this event.

Usually, we support the Southwest blood bikes as a club, however for this event we have decided to support the Stroke Association. We will have a collection box in Rally HQ on the day and if you can support this cause, we would be very grateful.

Lastly, I'd like to make a massive thank you to Derek Drayton, for once again giving up so much time, not just for this event but for every event ran by NDMC, without Derek this event would have stopped years ago.

We look forward to welcoming you to RMB Chivenor on Sunday 12<sup>th</sup> April 2025

Jason Irwin / Organising team.
